Task 3 — Reading into writing

Use the information from the four texts you read in Task 2 (pages 4–6) to write an essay (150–180 words) for your teacher, presenting the advantages and disadvantages of local food.

You should plan your essay **before** you start writing. Think about what you want to say and make some notes to help you in this box:

Now write your essay of 150–180 words on the lines below. Try to use your own words as far as possible — don't just copy sentences from the reading texts.
